

St. Mary's Home and School Association is having a

Christmas Ornament Fundraiser

We are looking for families to make Christmas ornaments that will be on display and available for purchase in local parishes from November 30th -December 10th. Families will receive service hours for their participation.

We will have two craft days to work on ornaments on November 18th and December 2nd in the Parish Center. You can come craft or pick up some supplies to craft at home. Ornaments must be religious or winter themes only.

If you are interested in service opportunities on December 2, 3, 9, 10th, please email gpeters@stmaryslg.v.org.
