Each family is responsible to pay as a Tuition Obligation the sum of **\$25.00 for each unserved service hour** during the school year. All required hours must be served by May 1st or any uncompleted hours will appear on your May tuition statement. **Unserved hours must be paid by May 5th or a late fee will be assessed.** Unserved hours can be worked until the last day of school for reimbursement. It is the duty of each family to keep a record and log-in all hours. If there is a question about hours served, committee/event coordinators or school faculty/staff may be asked to verify but it is the responsibility of the family to log-in hours served for credit. Office staff is available to assist if questions arise. This worksheet below may be used to keep track of service hours until they can be recorded in the school office.
