Parish Subsidy Petition - _____ (family name)

Dear Pastor/Parish Administrator:

Our family plans to enroll our child(ren) at St. Mary's Catholic School for the 2023-2024 school year. As Catholics, our family is seeking both the spiritual and academic opportunities a Catholic education can provide. By enrolling at St. Mary's Catholic School, we are making a strong commitment to our child(ren)'s faith formation. We would appreciate the support of our parish family both through prayer and parish financial support toward our child(ren)'s cost of education.

We are asking below for your signature confirming that our family is a registered and contributing member of your parish. Thank you for your spiritual and financial support. Please contact Fr. Dower, Pastor of St. Mary's and President of our school should you wish to discuss this matter further. Please contact us if you need any further information regarding our family and our commitment to our parish and our child(ren)'s Catholic education.

We understand that our parish family is making a \$1,000 commitment to the school for each of our child(ren) listed below and that it is our responsibility not only to participate actively in the life of our parish, but also to support our parish financially through our weekly offertory or by other means.
