

St. Mary's Catholic Church & School

Faith - Scholarship - Leadership - Service

June 4, 2020

Dear families,

Hello! I hope you are enjoying your summer. Summer may be fun, but it is also a time your child is losing essential skills taught the previous year. In addition, students have not been physically present in the classroom since February. For these reason, St. Mary's is requiring its students to complete continuing education in Math and Reading. The assignments will be due by 8/24/2020. The grades will be included as part of their first quarter grades. If your child needs help or has any questions, please have them email me.

Reading

We will be reading a novel titled *The Ghost of Fossil Glen* by Cynthia Defelice. You can order the book from [Amazon Smile](#) which will donate 0.5% of your eligible purchases to St. Mary's. There are also other places to purchase the book. Your child will read the novel. Upon completion of the novel, your child will be required to do a book report activity, which I will email soon.

Math

Students will be required to finish an assignment (skill) each week on Prodigy. A grade will be assigned each week and will be averaged out at the end of the completion date. If your child does not have his/her username or password, please let me know. I will send it in an email.

Downloading Prodigy for Mrs. Pfeffer's Class

Step 1: Go to play.prodigygame.com

Step 2: Click on sign up and fill in a user name and password.

Step 3: The program will ask you to enter the class code: 52C690

Step 4: Answer the questions.

Step 5: Play

If you have any questions or if something does not work, email me at jpfeffer@stmaryslgv.org.

Sincerely,

Mrs. Pfeffer
