

Kilgore College Music Academy

Private Piano / Guitar Lessons

The Kilgore College Music Academy prepares students in the art of music. Private instruction in piano and guitar is offered for students aged 5-18 years old. The purpose is to provide outstanding training to those interested in improving musical skill, whether for personal enrichment or for those who will select music as their profession.

Emphasis is on proper technique of the applied instrument along with the artistry required for performance. Contact Jonathan Kaan at 903-983-7519 or jkaan@kilgore.edu.

Registration:

Register through KC Workforce Development & Community Education. You can register by phone, mail, or in-person.

Location:

Lessons are taught at St. Mary's Catholic School.

Lesson Information:

Private, one-on-one lessons (piano) are either 30 minutes for beginning and intermediate students or 45 minutes for advanced students. To take 45-minute lessons, students must have previous private lesson experience and instructor approval.

Private lessons are scheduled as students are registered; some instructors have limited availability.

Students will have a recital opportunity each semester and may also participate in local area festivals (when available).

Lessons are limited according to age due to the physical development required for the instrument and/or the intensity of the course material.

Private lessons are scheduled individually with the teacher. Once registered, the teacher will contact the student regarding a lesson time. Once a mutually agreed time is selected, no changes may be made. Lessons missed by the student will not be refunded or rescheduled.

Class Dates and Fees:

Spring Section 1: January 13 to March 6 (8 weeks)

Private Lessons (piano only):

30-Minute Lessons.....\$200 (\$25 per lesson)
