

DINING HALL 2016-2017

Due to studies concerning childhood obesity and foods with minimal nutritional values (MNVs), St. Mary's Dining Hall does its best to follow the guidelines for healthy foods in conjunction with the rest of the State of Texas. For more information please visit the following government website: www.TexasDepartmentAgriculture.com.

The food served in St. Mary's Dining Hall is prepared fresh daily. Foods that are appealing to a child's taste and appetite are fixed, while maintaining the highest quality of products offered for food service.
